Speaker **Wes Halula**

Wes has appeared in many commercials, performed in theatre across the Midwest and west coast, and performed with Comedy Sportz in Kansas City, Minneapolis, and Los Angeles. Wes is best known for his "day job" as one of the members of HappyFunTime, an improvisational and sketch comedy troupe. Wes desperately wants to see the world the way God sees it. He wants to love people the way God loves them.

And he'll never pass up the opportunity to tell people just how much God has done for us. Website: www.happyfuntime.net

Musician **100 White Flags**

You take one part chick folk rocker and blend it with three part southern rock blues and you get a fair representation of what it is to experience 100 White Flags. On stage 100 White Flags is a fun musical experience. Off stage 100 White Flags is about the audience and meeting the people they have the privilege of performing for.
