Summer Safari Volunteer Covenant

As a Summer Safari Volunteer I will...

- Represent Christ in everything that I do at Summer Safari.
- Develop positive relationships with the youth attending Summer Safari as well as the other staff.
- Be on time. (Be here when you are scheduled to be here. The staff and kids depend on your help.)
- Be respectful of those in authority.
- Dress appropriately to set an example for others (no short shorts, no spaghetti straps, only one piece swimsuits, wear shirts at all times).
- Eat lunch on campus. (No going to a fast food place. We provide food. You can eat it.)
- Eat lunch with the kids. (Lunchtime is not “break time”).
- Remain on campus for my entire scheduled time.
- Remember we are not here for ourselves. We are volunteering for the kids.
- Interact with the kids and participate in whatever they are supposed to be doing.
- Remember that there is always something to be done. You do not get a break anytime you want.
- Watch only appropriate shows in the Lighthouse.
- Keep the language clean. We are being role models for the younger ones. Whether you think they are listening or not watch what you say.
