

Song Of Solomon

1 – Song Of Solomon 1—Expressions Of Love

With 700 wives and 300 concubines ([1 Kings 11:3](#)) to which wife was Solomon writing this? Or was he writing it for a different reason?

2 – Song Of Solomon 2—The Fruit Of Love

Apples and Raisins; Fig Trees and Vines - what does all of this have to do with God's love for us?

3 – Song Of Solomon 3—A New Movement Of Love

Note the repetition (2:7; 3:5; 8:4) - what does this phrase mean? Who does the searching? Why is this so important?

4 – Song Of Solomon 4—Beauty Described

How does this compare to what the world say is “beauty” today? Has the definition of “beauty” changed through the centuries? If so, how and why? What reaction would wives have if their husbands said these words to them?

5 – Song Of Solomon 5—Compared To A Garden

The garden imagery really started in Ch. 4 - Note the wonderful smells of the garden, and the wonderful discoveries.

6 – Song Of Solomon 6—Sensuous Attractions

“Absence makes the heart...” With v. 8-9, how would Solomon choose a favorite?

7 – Song Of Solomon 7—Physical Beauty

How has the sinful world cheapened the beauty that God created?

8 – Song Of Solomon 8—Guardian Brother

PDA (public display of affection) v.1 - no disgrace of showing affection in public. With v.4 b, see again 2:7, love is not to be artificially stimulated. Why is pornography so prevalent in society today?

9 – Song Of Solomon 1-8—God's Love For Us

This precious kind of love is God's gift to mankind - in Christian marriage (not multiple marriages as Solomon!)
