Colegio Luterano Zacapa, Guatemala

Divine Savior Church was one of the early Lutheran Churches established in the interior of Guatemala by missionaries of the Lutheran Church-Missouri Synod. Divine Savior is the "mother church" of several nearby village congregations, where pastors and teachers of Divine Savior lead weekly worship and Bible studies.

IN 1953 the congregation added a day school in Zacapa. The school is now located on what is called "Luma Luterana," Lutheran Hill. In 1970 a middle school was added. A career level high school was added in 1978. Children's Christian Concern Society, now Lead a Child, had its origin at this school.

Holy Cross in Wichita began partnering with Divine Savior in 2013 and have visited four times sharing faith and encouragement. Three medical teams, in cooperation with Divine Savior, have brought needed care and spiritual encouragement to over 1000 adults and children at Divine Savior and in the community.

"Let your light shine before men, that they may see your good works and glorify your father in heaven."
—Matthew 5:16

LIGHTS FOR CHRIST

In 2015 Holy Cross and Divine Savior began sponsoring 10 children who live at the landfill through "Lights for Christ," providing the children with transportation, a Christian Education, nutrition, uniforms, and health care. The children typically do not have access to education and assist their parents in recycling useable items from the landfill. Our goal this year is to provide scholarships for 14 students, enabling them to complete their elementary education.

In 2018 we began pastoral support to assist Divine Savior in employing a mission pastor to assist in their continued effort to reach out to area communities. Holy Cross has committed to help with the pastor's salary for four additional years.
