

Holy Cross has been blessed with the opportunity to transition to a new 'church management system' that provides us with a variety of new ways to manage information and remain connected with our church body. As part of this transition, we are moving away from using Vanco Giving Solutions for online giving. While this change will require a little help on your part, we hope to make it as easy as possible for you. There are essentially two steps that need to occur:

- 1) **Turn off your current giving** through Vanco Giving Solutions
- 2) **Re-establish your online giving** through our new system

STEP 1: In order to *turn off* your current giving, you can:

- a) Send an email to office@holycrosslutheran.net and provide your **name** and the effective **date** that you would like to turn off this giving

OR (you do not have to do both)

- b) Log into your Vanco account and turn off the giving on your own

STEP 2: In order to re-establish your online giving through our new system:

- a) Click [here](#) or download the  MobileMission app (available in App Store or Google Play)
- b) Input your giving information
- c) Be sure to keep track of your username and password so that you can make any necessary updates in the future

Our hope is that you will do this as soon as possible so that we can quickly get to a point where we are not paying fees to two companies. If you have any questions about this, please do not hesitate to call the office (316-684-5201) and speak with me or Melissa. Either one of us will gladly help however we can.

Thank you in advance for your willingness to work through this transition with us.

Blessings in Christ,
Adrian
